Giggle Sprinkles Sensory Mixes
Where little hands learn through play!

GIGGLE Sprinkles

SENSORY MIXES

CREATIVE PLAY IN EVERY SPRINKLE

WHAT ARE SENSORY MIXES?

Giggle Sprinkles Sensory Mixes are carefully created themed play bases made from colourful rice, pasta, chickpeas, grains, and other exciting textures.

Children naturally learn by touching, exploring, sorting, scooping, pouring, and pretending.

Our sensory mixes create endless opportunities for open-ended play and discovery.

Each mix is designed to:

- Encourage imagination
- Spark curiosity
- Promote independent play
- Support early learning concepts
- Provide a calming sensory experience
- Keep little hands busy and engaged

WHY SENSORY PLAY MATTERS

Developmental Benefits

Sensory play is more than just fun—it helps build important skills that children use every day.

Fine Motor Development

Strengthens fingers, hands, and wrists needed for:

- Writing
- Cutting
- Buttoning
- Dressing independently

Cognitive Development

Supports:

- Problem solving
- Critical thinking
- Sorting and classifying
- Cause and effect understanding

Language Development

Encourages:

- Descriptive vocabulary
- Storytelling
- Communication
- Conversation skills

Emotional Development

Sensory play can help children:

- Relax and self-regulate
- Reduce stress and anxiety
- Build confidence
- Develop independence

Early Learning Concepts

Children naturally practise:

- Counting
- Colour recognition
- Matching
- Pattern making
- Letter recognition
- Number recognition
- Scientific exploration

WAYS TO PLAY

ENDLESS PLAY POSSIBILITIES

SCOOP & POUR STATION

Use cups, funnels, spoons, and containers.

TREASURE HUNT

Hide small objects and let children discover them.

SMALL WORLD PLAY

Create stories and adventures with figurines and toys.

SORTING ACTIVITIES

Sort by colour, size, shape, or type.

LETTER & NUMBER HUNTS

Practise literacy and numeracy skills.

PRETEND PLAY

Farmers, astronauts, princesses, builders, explorers—the possibilities are endless!

CREATE & IMAGINE

Children can build scenes, create stories, and explore their own ideas.

CALM CORNER ACTIVITY

A wonderful quiet-time activity for focused play.
